*What's in a name? In the case of helvet – an entire nation's spirit. helvet is Switzerland. It embodies the soul behind Swiss-made and Swissness. It's a tribute to all that this great country has done and will do.*

*helvet* is the genius of watchmaking, the unparalleled beauty of the mountains, the thrill of freeriding, the taste of chocolate, the hope for a green future, and the vision of Switzerland as an oasis in a turbulent world. *helvet* is neutrality and expertise. It embodies both the local and the international. Side by side, *en tête à tête*. *helvet* is a promise of fulfilment, quality, luxury, and authenticity. It is a symbol of our know-how and our ability to pass that on – one foot planted in tradition and the other reaching forward to the future. It is the alchemy that connects yesterday to tomorrow and here to everywhere else. *helvet* is a rally cry for celebrating everything our

country is doing, embodied under a single brand name. With the dexterity of a Swiss Army knife, *helvet* acts as a bridge between the 1001 different facets that make up what it means to be Swiss. *helvet* was created to embody this message and to share it with the world – online, of course, and in high-end magazines dedicated to Switzerland's greatest destinations, including Geneva. It's about enjoying the best in life and the constant reinvention of what that means. *helvet* is Switzerland. Its logo unites the hashtag and the Swiss cross, a union of today's digital era and our country's traditions that make us who we are today.

## *Distribution & key figures*

Available throughout the 2026-2027 winter and 2027 summer seasons, these editions of *helvet* will be available in over 250 locations in central Geneva. This includes the city's most prestigious hotels (5, 4, and 3 stars).

Nearly every key venue in the city is involved in this project. Copies of the magazine will also be available at lawyer and notary offices, doctor and dentist offices, hair salons, the Hotel Management School of Geneva, and even certain Cointrin Airport lounges, at private airline companies.

*helvet* Geneva will simultaneously be mailed by post to renowned national and international organizations, while the busiest kiosks in the city and the airport will have copies of the magazine for sale. Copies are distributed by Renzi Communication to over 800 outlets in 20 Swiss towns and cities, including Zermatt, Verbier and Crans-Montana.
